At present there are no provisions in the present Seed laws to fix price for transgenic and genetically modified cotton seeds and payment of compensation in case of crop failure of such cotton seeds in the Karnataka State. As a result, the vendor and producers of transgenic and genetically modified cotton seeds are exploiting poor farmers by collecting exorbitant prices from the farmers. Further, as there is no provisions in the present Seed Laws to pay compensation, to farmers in case of crop failure due to defective or sub standard transgenic and genetically modified cotton seeds, the farmers face problems and incur financial loss.

Hence, it has become imperative on the part of the State in the interest of the farmers in the Karnataka State to fix sale price of transgenic and genetically modified cotton seeds and also make provisions to compensate farmers in case of failure of transgenic and genetically

modified cotton crops by fixing the responsibility on the concerned seeds producer to compensate farmers suitably thus mitigating their hardship, evolve adequate and effective mechanism to prove the quality of the transgenic and genetically modified cotton seeds.

As a special case, the State Government has compensated the farmers to the tune of Rs. 36.35 crores.

The present Seed Laws implemented in the State are enacted by the Central Government. Hence amendments in this regard and other lacunae to the present Central Seed Legislation were proposed by the State Government to the Central Government during last two decades, but it is yet to be passed.

It is considered necessary to amend the Karnataka State Universities Act, 2000.

The subject matter of the Bill falls under entry 25 of list 3 and entry 32 of list II of seventh schedule to the Constitution of India and accordingly the State Legislature is competent to enact the measure.

The Karnataka State Universities (Second Amendment) Bill, 2013 has been passed by the both the Houses of State Legislature was submitted to His Excellency, the Governor of Karnataka under Article 200 of the Constitution of India for orders.

His Excellency, the Governor of Karnataka had reserved the Bill for consideration of the President of India with the following noting, namely:-

"Amendment is proposed to sub-section (1) of Section 8 to empower Pro-Chancellor to order for inspection by a Commission of Enquiry. Sub-section (3) is proposed to be substituted and consequential amendments are also proposed for sub sections (4) and (7) thereof. This amendment is totally unnecessary, as in the present dispensation also State Government may recommend for such an enquiry. All these amendment dilute the position of the Chancellor in the scheme of the Act, which is not desirable.

Section 9 is also proposed to be amendment to confer power on the Pro-Chancellor to issue direction. This amendment is unnecessary as this section already provides for Chancellor to issue direction ether suo-motu or on the recommendation of the State Government.

Section 13 is proposed to be amended to provide for conferring on the Pro-Chancellor additional powers under the Act.

Sub-section (3A) is proposed to be inserted in Section 14 to provide for inviting application from candidates seeking appointment as Vice Chancellor. Sub-sections (7) and (8) of Section 14 relate to removal of Vice Chancellor on the ground of willful omission or refusal to carryout provisions of the Act and abuse of powers. Now it is proposed to amend these sub-sections to empower the Pro-Chancellor to exercise powers along with Chancellor. Chancellor is the appointing authority of the Vice Chancellor. The power being a drastic in nature it has to be exercised in exceptional and deserving cases. As the Pro-Chancellor is not the appointing authority, he cannot be given the power of removal. Vesting Pro-Chancellor with these powers will give scope for exercise of power of removal on political grounds.

Section 16 provides for arrangement of work during vacancy in the office of the Vice-Chancellor. Now it is proposed to amend this Section to vest this power in Pro-Chancellor along with the Chancellor. As the Chancellor is the appointing authority of the Vice-Chancellor, the power to make arrangement of work during vacancy in office of the Vice Chancellor should vest solely with the Chancellor. Moreover he has primacy in the matter of appointment of Vice-Chancellor.

Amendments proposed to Sections 13, 14 and 16 to provide for exercise of similar power by the Pro-Chancellor is opposed to the very scheme and policy of the Act. This will certainly undermine the primacy of the Chancellor in the overall administration of the University.

Amendment is proposed to Section 20 to authorize Pro-Chancellor to make arrangement during temporary vacancy in the office of the Registrar, Registrar (Evaluation) and Finance Officer. The Chancellor being the key authority he is the right person to make arrangement in the case of temporary vacancy in the office of the Registrar, Registrar (Evaluation) and Finance Officer. Conferring these powers on the Pro-Chancellor will lead to interference in the internal administration of the University.

Amendment is proposed to Section 28 to provide for representation of members of Legislative Assembly and one Member of the Legislative Council in the Syndicate. Such a provision was there is repealed 1976 Act but this has been deliberately omitted in the present Act for some valid reason. Therefore this may be considered.

Section 58 provides for transfer of employees of the University from one University to another by the Chancellor in consultation with the State Government. Amendment is proposed to confer this power on the State Government and to constitute a Board for the purpose of transfer. Till now this power could be exercised sparingly by the Chancellor on the administrative reasons. Now it may be exercised even for the reasons specified in the proposed Section 58A viz pooling of subject. This amendment will open Pandora box and give scope for indiscriminate transfer of both teaching and non-teaching staff without reference to necessity, resulting in total chaos in the administration of the University. Even creation of the Board cannot minimize the ill of transfer. The menace

of transfer of Government servants has been adversely affecting administration. If the proposed amendment is carried out the ills of transfer of Government servants will spread to Universities also.

It is proposed to insert a new section 58A to provide for pooling of subjects if the number of students in a subject of department of PG course in a University is less than 10 in two consecutive years. Universities are established to provide for higher education to the needy persons in distant rural and backward areas. Implementing this provision would deprive them of the opportunity.

A mere glance at the amendments proposed would make it abundantly clear that the State Government is trying to increase its strangle hold on Universities which will result in academics giving way to politics.

The amendments are inconsistent with the regulations and guidelines issued under the University Grants Commission."

In the above circumstances, the Karnataka State Universities (Second Amendment) Bill, 2013 was reserved for consideration of the President of India by His Excellency the Governor of Karnataka in exercise of his powers conferred under Article 200 of the Constitution of India.

Accordingly the Government of India was requested to obtain the assent of His Excellency the President of India vide letter dated: 21.09.2013 and 4.06.2015.

The Ministry of Home Affairs vide its letter dated : 13.3.2015 has sought the comments / clarifications of the State Government with regard to the observations of Ministry of Health and Family Welfare and Ministry of Human Resource Development (Department of Higher Education).

The said letter was sent to the Education Department (Higher Education) with a request to furnish the information sought by Government of India.

PRESENT STATUS

The Legal Cell, Karnataka Bhavan has sent a fax on 26.06.2015 enclosing the Status Report and has reported that the Bill has been referred to the Ministry of Legal Affairs for their opinion and pending with Ministry of Legal Affairs.

The Legal Cell, Karnataka Bhavan has sent a fax on 18.08.2015 has reported that the comments of the Human Resources Department Ministry was sent to State Government by Ministry of Home Affairs on 13.3.2015 and pending with Government of Karnataka.

The Karnataka Maritime Board Bill, 2011 was sent to Ministry of Home Affairs Government of India to obtain and communicate the assent of His Excellency the President of India vide letter under reference (1).

The Ministry of Home Affairs vide letter under reference (3) has referred the observations of Union Ministers of (i) Finance (Department of Revenue) and (ii) Finance (Department of Financial Services), furnished vide their O.M No. T.11021/4/2012-TC, dated 27.11.2014 and F.No. 10/102/2014-AC dated, 11.11.2014 respectively for revision of the Karnataka Maritime Board Bill, 2011.

Accordingly, the said Bill was withdrawn and returned by the Ministry of Home Affairs vide letter No. 17/08/2012 dated 25.03.2015.

As suggested by Ministry of Home Affairs, Government of India, vide letter under reference (3) all the amendments are incorporated in modified "Karnataka Maritime Board Bill, 2015".

Karnataka has a coast line of about 300 kms, which is dotted with 10 non-major ports, besides the major port at New Mangalore. These non-major ports, which include Karwar, Malpe harbour, Tadri, Old Mangalore, etc., are currently managed by the Public Works Department through the Director of Ports and Inland Water Transport. The revenue receipts from these ports are credited into the Consolidated Fund of the State, while the development and maintenance expenditure are met out of the budgetary grants. In the circumstances, there is no relationship between the receipts and expenditure of the Ports & IWT sector. Further, the Directorate of Ports & IWT is not able to raise finance from the market directly for undertaking development activities.

Some of the major maritime States, notably Gujarat, Maharashtra and Tamil Nadu, have already set up Maritime Boards and have seen tremendous growth in development of the infrastructure for ports and allied activities. Keeping such experience in view, the Maritime States Development Council has been advising all the maritime States to constitute Maritime Boards.

Karnataka also has several inland waterways on both, west flowing as well as east flowing rivers, that offer the potential for development of an environment friendly mode transportation of goods and passengers, particularly for several interior locations. The Maritime Board would be in a position to develop and maintain the inland waterways too. Further, the Board would be in an advantageous position to prepare and implement schemes for coastal protection, which has become an important issue for the growth and development of the coastal regions of the State.

The Bill among other things provides for,-

- (i) Constitution and functioning of the Maritime Board for Karnataka. The Board shall be in a position to find ways and means to undertake various developmental projects and maintenance activities in relation to ports, harbours, inland waterways and coastal protection and thus help in the growth and development of the coastal region and its hinterland.
- (ii) Developing all Karnataka ports on public private partnership Basis.
- (iii) Development and maintenance of fishing harbors by the Board with suitable budgetary grants and subventions from the Government. However, the operations and management of the fishing harbors shall continue to be done by the Fisheries Department and not by the Maritime Board.

Accordingly, Karnataka Jalasarige Mandali Vidheyaka, 2015 was re-introduced in the Karnataka Legislative Assembly on 27.11.2015 and the same was passed in the Legislative Assembly on 27.11.2015 and in the Legislative Council on 27.11.2015.

The subject matter of the Bill falls under entry 31 of List III of the Seventh Schedule to the Constitution of India. Item (i) of sub-clause (3) of clause 36 is repugnant to the provisions of the Arbitration and conciliation Act, 1996. Clause 56 is repugnant to section 45 of the Indian Contract Act, 1872. Clause 62 is repugnant to the provisions of the Indian Limitation Act, 1963. Therefore, Honorable Governor of Karnataka is pleased to reserve the Karnataka Jalasarige Mandali Vidheyaka, 2015, for the consideration of His Excellency the President of India under Article 200 of the constitution of India as required by clause (2) of Article 254.

PRESENT STATUS

Accordingly, the Government of India was requested to obtain the assent of His Excellency the President of India.

State Government questioned the above order dated 2.7.2008 before the Hon'ble Supreme Court of India vide WP No. 290/2009. The Hon'ble Supreme Court has issued an interim order dated 21.07.2009, directing to maintain the status quo. The case was then transferred to the Constitutional Bench on 5.7.2013. The Hon'ble Supreme Court in Civil Appeal No. 5166-5190/2013 dated 6.5.2014 has ordered that "government cannot impose mother tongue for teaching children at primary level".

In the present situation, as the language policy of the State was rejected by the Hon'ble Supreme Court of India, the State Government has filed a Review Petition No. 1878-1911/2014. The Review Petition was dismissed on 9.9.2014.

Article 350A of Constitution reads as follows:-

“350A. facilities for instruction in mother-tongue at primary stage.- It shall be the endeavour of every State and of every local authority within the State to provide adequate facilities for instruction in the mother-tongue at the primary stage of education to children belonging to linguistic minority groups; and the President may issue such directions to any State as he considers necessary or proper for securing the provision of such facilities.”

It is the constitutional duty of the concerned states to provide primary school education to the child in his/her mother tongue as per the Article 350A of the constitution. It was discussed in detail with Educationists, intellectuals and writers who unanimously opined the necessity of primary education in mother tongue.

Article 21A reads as follows, namely:-

“21A. Right to education.—The State shall provide free and compulsory education to all children of the age of six to fourteen years in such manner as the State may, by law, determine.”

Therefore, this Government would like to determine by law, the manner of compulsory education to children from the age of six to fourteen years.

Therefore, it is considered necessary to amend the Right of children to Free and Compulsory Education Act, 2009, (Central Act 35 of 2009) to provide Primary Education (1st Std to 5th Std) in Child's mother tongue or in Kannada" in the State of Karnataka.

Accordingly, The Right of Children to Free and compulsory Education (Karnataka Amendment) Bill, 2015 was introduced in the Karnataka Legislative Assembly on 26/03/2015. The said Bill was passed in the Legislative Assembly on 31/03/2015 and in the Legislative Council on 01/04/2015.

The subject matter of the Bill falls under entry 25 of List III of the Seventh Schedule to the Constitution of India. The provisions of the Bill are repugnant to item (f) of sub-section (2) of section 29 of the Right of Children to Free and compulsory Education Act, 2009 (Central Act 35 of 2009) which is a central law in force. Therefore, the Bill has to be reserved for the assent of His Excellency the President of India as required by clause (2) of Article 254 of the Constitution of India.

Therefore, Hon'ble Governor of Karnataka is pleased to reserve the said Bill for the consideration of the President under Article 200 and as required by clause (2) of Article 254 of the Constitution of India.
