At present there are no provisions in the present Seed laws to fix price for transgenic and genetically modified cotton seeds and payment of compensation in case of crop failure of such cotton seeds in the Karnataka State. As a result, the vendor and producers of transgenic and genetically modified cotton seeds are exploiting poor farmers by collecting exorbitant prices from the farmers. Further, as there is no provisions in the present Seed Laws to pay compensation, to farmers in case of crop failure due to defective or sub standard transgenic and genetically modified cotton seeds, the farmers face problems and incur financial loss.

Hence, it has become imperative on the part of the State in the interest of the farmers in the Karnataka State to fix sale price of transgenic and genetically modified cotton seeds and also make provisions to compensate farmers in case of failure of transgenic and genetically modified cotton crops by fixing the responsibility on the concerned seeds producer to compensate farmers suitably thus mitigating their hardship, evolve adequate and effective mechanism to prove the quality of the transgenic and genetically modified cotton seeds.

The State Government constituted the language policy regarding the medium of instruction from 1st std to 5th std in 1994. In Government order No. ED 24 PGC 1994 dated 29.04.1994 the State Government ordered that the

mother tongue or Kannada shall be the medium of instruction in all schools recognized by the State Government from the academic year 1994-95.

But, some private schools had taken permission to run the school in Kannada medium and are running in English medium, by violating the language policy.

Karnataka State unaided School Management Association has Questioned the language policy in different stages in the court. The full bench of the Hon'ble High court of Karnataka has quashed the Government order No. ED 24 PGC 1994, dated 24.4.1994 in W.P.No 14863/1994 (Education) dated 2.7.2008.

State Government questioned the above order dated 2.7.2008 before the Hon'ble Supreme Court of India vide WP No. 290/2009. The Hon'ble Supreme Court has issued an interim order dated 21.07.2009, directing to maintain the status quo. The case was then transferred to the Constitutional Bench on 5.7.2013. The Hon'ble Supreme Court in Civil Appeal No. 5166-5190/2013 dated 6.5.2014 has ordered that "government cannot impose mother tongue for teaching children at primary level".

In the present situation, as the language policy of the State was rejected by the Hon'ble Supreme Court of India, the State Government has filed a Review Petition No. 1878-1911/2014. The Review Petition was dismissed on 9.9.2014.

Article 350A of Constitution reads as follows:-

“350A. facilities for instruction in mother-tongue at primary stage.- It shall be the endeavour of every State and of every local authority within the State to provide adequate facilities for instruction in the mother-tongue at the primary stage of education to children belonging to linguistic minority groups; and the President may issue such directions to any State as he considers necessary or proper for securing the provision of such facilities.”

It is the constitutional duty of the concerned states to provide primary school education to the child in his/her mother tongue as per the Article 350A of the constitution. It was discussed in detail with Educationists, intellectuals and writers who unanimously opined the necessity of primary education in mother tongue.

Article 21A reads as follows, namely:-

“21A. Right to education.—The State shall provide free and compulsory education to all children of the age of six to fourteen years in such manner as the State may, by law, determine.”

Therefore, this Government would like to determine by law, the manner of compulsory education to children from the age of six to fourteen years.

Therefore, it is considered necessary to amend the Right of children to Free and Compulsory Education Act, 2009, (Central Act 35 of 2009) to provide Primary Education (1st Std to 5th Std) in Child's mother tongue or in Kannada" in the State of Karnataka.

Accordingly, The Right of Children to Free and compulsory Education (Karnataka Amendment) Bill, 2015 was introduced in the Karnataka Legislative Assembly on 26/03/2015. The said Bill was passed in the Legislative Assembly on 31/03/2015 and in the Legislative Council on 01/04/2015.

The provisions of the Bill are repugnant to item (f) of sub-section (2) of section 29 of the Right of Children to Free and compulsory Education Act, 2009 (Central Act 35 of 2009) which is a central law in force. Therefore, the Bill has to be reserved for the assent of His Excellency the President of India as required by clause (2) of Article 254 of the Constitution of India.

Therefore, Hon'ble Governor of Karnataka is pleased to reserve the said Bill for the consideration of the President under Article 200 and as required by clause (2) of Article 254 of the Constitution of India.

Accordingly the Government of India was requested to obtain the assent of His Excellency the President of India vide letter dated 22.05.2015.

The Legal Cell, Karnataka Bhavan has sent a fax on 26.06.2015 enclosing the Status Report as on 23.06.2015 and has reported that the above said Bill has been referred to the Legislative Department, Ministry of Human Resources Development (School Education) and Ministry of Home Affairs (Human Rights Division), and the comments of the Legislative Department had been sent to Ministry of Home Affairs on 23.06.2015.

The Legal Cell, Karnataka Bhavan has sent a fax on 18.08.2015 and has reported that the above said Bill has been referred to the Legislative Department, Ministry of Human Resources Development (Department of School Education and Literacy) dated 2.7.2015 for clarifications/views of the State Government and pending with Government of Karnataka.
