### **STATEMENT OF OBJECTS AND REASONS**

**Act 11 of 1958.**- Under the Karnataka Betting Tax Act 1932, Government can notify the rate of totalisator and betting taxes subject to the condition that such rate does not exceed 25%. The Act does not provide for different rates of tax being notified in respect of collections at different races or classes of races. It is considered desirable to specify a lesser rate of tax in respect of specified classes of races which will be notified by Government. It is, therefore, proposed to amend the Mysore Betting Tax Act, 1932 so as to empower the Government to reduce the rate of tax in respect of certain classes of races.

Hence, this Bill.
