SCHEDULE.

STATEMENT OF OBJECTS AND REASONS

I

Act 34 of 1957.- Different rates on stamp duty are in force in the various areas of the State. As it is very desirable to have the same rates of stamp duty in all the areas in all areas of new State, Government have decided to undertake legislation to achieve this object. Hence this Bill.

The Bill makes provision for the levy of stamp duty on instruments at the rates in force the Madras Area.

(Obtained from Notification L. A. No. 5848 dated 20-6-1957)

II

Amending Act 8 of 1958.- The Government of India have decided that with effect from 1st April 1958, the rates of Stamp Duty should be expressed in decimal coinage. The new rates of non-postal stamps decided upon by the Government of India are in multiples of 5 Naye Paise. It has become necessary, therefore, to amend the Mysore Stamp Act, 1957, to adapt the rates of Stamp Duty decided upon by the Government of India. The Bill is intended to give effect to the new rates of non-postal stamps in decimal coinage, proposed to be brought into force from 1st April 1958.

(Published in the Gazette (Extraordinary) Part IV-2A dated 4-3-1958 as No. 51)

III

Amending Act 29 of 1962.- The State Government are committed to raise a sum of Rs. 42 crores by additional taxation. In order to meet the commitments of the schemes in the Second Five Year Plan and implementation of schemes in the Third Five Year Plan, the resources of the State have to be augmented. It is therefore proposed to increase the rates of stamp duty by fifty per cent in instruments in respect of which the State legislature is competent to levy stamp duty.

With the passing of the Advocates Act, 1961, the roll of Advocates is now maintained by the State Bar Council and not by the High Court, As there is no instrument for entry on roll, it is proposed to levy stamp duty on the certificate of enrolment issued by the Bar Council. The Law Ministers Conference held at Srinagar in 1960, has recommended that the total fee payable by a Advocate on enrolment should not, inclusive of the fee payable to the Bar Council under the Advocate Act, exceed Rs. 500. Since a fee of Rs. 250 is payable to the Bar Council, it is proposed to fix the Stamp duty on the certificate of enrolment at Rs. 250.

Opportunity has been taken to make certain other provision found necessary. The more important of these amendments are indicated below.

The definition of instrument of partition is proposed to be amplified to cover documents in which the terms of partition effected are recorded.

Sub-section (1) of section 53 of the Act does not empower the Chief Controlling Revenue Authority to exercise control over the Deputy Commissioner in cases other than those falling under Chapter IV and V and proviso (a) to section 27. In the interests of revenue, it is necessary to exercise control over the Deputy Commissioner in other cases also. Sub-section (1) of section 53 is therefore proposed to be amended.

In respect of allowances for stamps, definite periods of limitation and the circumstances in which allowance is permissible have been laid down in Chapter V of the Act. In order to avoid hardship under the Indian Stamp Act, 1899, orders for

refund of amounts paid for stamp duty were being made by Government in appropriate cases without any bar of limitation on the basis of certain Resolutions of the Government of India. It is considered desirable to take necessary power to issue such orders. The new section 52A has therefore been proposed. In order to enable the Chief Controlling Revenue Authority to grant relief under section 44 beyond the period of limitation in appropriate case, that section is also proposed to be amended.

In a recent decision of the Supreme Court (Board of Revenue Vs. Vidyawati A.I.R. 1962 S.C. 1217) it has been held that while acting under section 56(2) of the Indian Stamp Act, 1899, (which corresponds to section 53(2) of the Mysore Stamps Act, 1957), the Board of Revenue should give the party concerned a reasonable opportunity to be heard in accordance with the principles of natural justice. As the principles of natural justice have to be followed by the Deputy Commissioner and the Chief Controlling Revenue Authority, it is proposed to insert a suitable provision in the Act. It is also considered necessary to make specific provision for rectification of mistakes by the different authorities. The new section 67A has accordingly been proposed.

(Published in the Mysore Gazette (Extraordinary) Part IV-2A dated 27-8-1962 as No. 170 at page 25-26.)

IV

Amending Act 17 of 1966.- In order to ensure the collection of proper stamp duty in the case of awards, gifts and settlements it is considered necessary to charge duty on such instruments on the value of properties instead of on the value as set forth in the instruments. It is also considered necessary to amplify the different classes of instruments falling under Articles 5 and 37 and fix different rates of duty on such instruments. It is also proposed to amend sections 3 and 28, and insert new sections 63A and 67B.

Hence the Bill.

(Published in the Karnataka Gazette (Extraordinary) Part IV-2A dated 26.03.1966 as No.58 at page 8).

V

Amending Act 17 of 1971.- In order to raise additional resources to be utilised exclusively for the relief of Bangla Desh refugees, the Government of Mysore has proposed to levy additional stamp duty at the flat rate of ten paise on every instrument chargeable with duty under the Mysore Stamp Act, 1957. The present measure is being enacted to give effect to the said proposal.

2. The Committee constituted under the proviso to sub-section (2) of section 3 of the Mysore State Legislature (Delegation of Powers) Act, 1971 (23 of 1971), has been consulted before enactment of this measure as a President's Act.

(Obtained from President Act 17 of 1971.)

VI

Amending Act 12 of 1972.- Under article 16 of the Schedule appended to the Mysore Stamp Act, 1957, the stamp duty payable on a share certificate is 30 naye paise. Section 11 of the Mysore Stamp Act, 1957, does not permit the use of adhesive stamps for payment of the stamp duty exceeding 15 naye paise. Thousands of share certificates have to be therefore submitted by the Companies to the Superintendent of Stamps and to the Government Press for getting the duty

paid embossed on each certificate. As this procedure is found inconvenient, Government intends to amend the Act to enable the use of adhesive stamps upto 30 paise.—Vide Notification No. 7799, LA dated 19.11.1970.

(Published in Karnataka Gazette, PART IV—2-A, dated 26.11.1970 at page 70.)

VII

Amending Act 4 of 1973.- President's Act 14 of 1971, 16 of 1971, 17 of 1971 and 18 of 1971 had been enacted to raise additional resources for the relief of Bangla Desh Refugees. They expire on 24th March 1973.

It is proposed that while the additional levies for the relief of Bangla Desh Refugees may cease, the levies may be retained till 31st March 1974 to raise additional resources to meet the cost of 'People's Housing Programme' to be undertaken by the State Government.

Hence this Bill.

(Obtained from L.A. Bill No.16 of 1973)

VIII

Amending Act 17 of 1974.- It is proposed to raise the rates of Stamp Duty on conveyance and mortgage deeds, in order to augment the revenue of the State.

Hence the Bill.

(Published in the Karnataka Gazette (Extraordinary) dated 30th March 1974, PART IV—2A, as No. 632, at page. 4.)

IX

Amending Act 12 of 1975.- It has been observed that there is wide-spread under-valuation of properties by persons who buy and sell properties in urban areas. A pilot study of 1052 cases carried out in Bangalore City showed that in nearly 70 per cent of the cases the valuation mentioned in the sale deed was less than half the market value computed objectively by the survey authorities. This means evasion of stamp duty as well as avoidance of registration charges. There is consequent loss of revenue to the State under both counts. The object of the Bill is to enable the Government to recover the right amount of stamp duty wherever under valuation of property is noticed at the time of registration of the properties. Some consequential amendments are also being made. For example, the present schedule of stamp duty rates is based upon the amount of consideration mentioned in the document. This basis is being changed to the market value. Likewise some other consequential changes have also been proposed in the Bill.

To begin with the new measure will be given effect to in the Cities having a population of more than one lakh and the Government is taking the power to extend it to other urban areas in due course.

(Published in Karnataka Gazette (Extraordinary), dated 10th April 1975, PART IV—2-A, as No. 1049, at page. 7.)

X

Amending Act 37 of 1976.- In order to augment the revenues of the State, it is proposed to amend the Karnataka Stamp Act, 1957, by increasing the rate of Stamp Duty on conveyances and other instruments chargeable with the same duty as a conveyance.

Hence this Bill.

(Published in Karnataka Gazette (Extraordinary) dated 27th March 1976, PART IV—2-A, as No. 1729, at page. 6.)

XI

Amending Act 9 of 1979.- Houses and sites are normally allotted by the Bangalore Development Authority and other similar authorities on lease-cum-sale basis and the sale deed is executed after a lapse of a period of 10 years by which time the market value of the property gets increased considerably. The policy of the Government is to allot as many houses and sites as possible to landless and other weaker sections of the people.

The levy of stamp duty on market value in respect of conveyance executed by the said authorities works out great hardship to the allottees many of whom are persons belonging to weaker sections.

It is felt that stamp duty on such instruments should be levied on the amount or the value of consideration for such instruments as specified therein. To remove the hardship that is caused by the existing provisions to the weaker sections of the people it was considered necessary to take urgent and immediate action. Hence an Ordinance was issued amending the entries relating to item 20 of the Schedule to the Karnataka Stamp Act, 1957. This Bill seeks to replace the said Ordinance.

(Obtained from LC Bill No. 1 of 1979.)

XII

Amending Act 21 of 1979.- In order to augment the revenues of the State it is proposed to second taxation and other laws. Opportunity is taken to make some other amendments also.

Hence this Bill.

(Published in the Karnataka Gazette (Extraordinary) Part IV-2A dated 27-3-1979 as No. 259).

XIII

Amending Act 15 of 1980.- The Audit parties of the Accountant General's Office during the course of audit of several Sub-Registry Offices in the State during last one or two years have pointed out instances of non-levy/short levy/irregular remission of Stamp duty due to mis-classification of documents and mis-interpretation of the provisions of law regarding levy of stamp duty. In most of the cases, the observations of the Audit were found to be valid and the Inspector General of Registration and Commissioner for Stamps had to initiate steps for recovery of the deficit stamp duty from the concerned parties. However, for want of suitable provisions in the Karnataka Stamp Act, 1957 enabling recovery of such deficit stamp duty from the concerned parties as arrears of land revenue, it has not been possible for the Department to recover it in most of the cases.

As the Legislature Assembly was not in session, an ordinance was promulgated on 3rd December 1979 introducing new Section 46-A providing for recovery of deficit stamp duty as arrears of land revenue and, in certain type of cases, with retrospective effect namely from 1st April 1972. Consequential amendment to Section 11(a) was also made due to enhancement of stamp duty with effect from 27th March 1979 as per Karnataka Taxation and Certain Other Laws (Amendment) Act, 1979.

The Bill seeks to replace the said ordinance.

(Published in Karnataka Gazette (Extraordinary) Part IV-2A dated 29th February 1980, as No. 154, at page. 5.)

XIV

Amending Act 16 of 1981.- The allottees of sites or houses have to execute lease-*cum*-sale agreement with bodies like the Bangalore Development Authority, the Karnataka Housing Board, City Improvement Trust Boards and Housing Co-operative Societies etc. After the expiry of the lease period conveyances are executed in favour of the allottees. The lease-*cum*-sale Agreement would attract levy of stamp duty under Article 30(c) of the Schedule to the Karnataka Stamp Act, 1957 at the same rate as a conveyance on the advance paid in addition to the duty payable on the lease. Again when the conveyance is subsequently executed, duty is payable on the full value of the considerations. Thus duty becomes payable on these transactions as for a conveyance, twice. Representations have been received from the public requesting the Government to grant relief. In view of this and in order to recover the full duty at the initial stage itself when the lease-*cum*-sale agreement is executed, the amendments proposed are sought to be made.

Hence this Bill.

(Published in Karnataka Gazette (Extraordinary) Part IV-2A dated 3rd February 1981, as No. 85, at page. 4.)

XV

Amending Act 16 of 1983.—Section 46A of the Karnataka Stamp Act, 1957 provides for recovery of stamp duty not levied or short levied. Under the said section, the Chief Controlling Revenue Authority or an officer authorised by the State Government could initiate action within three years from the date of commencement of the Karnataka Stamp (Amendment) Act, 1980 by which the said section was introduced. In cases where the reason for non-payment was fraud, etc., a longer period of six years was permissible.

Action for recovery of deficit duty under the said section has to be taken in about 40000 to 50000 cases and further extension of the period has become necessary.

In these circumstances, it is considered necessary to fix the relevant period as 5 years and 10 years instead of 3 years and 6 years respectively.

An Ordinance was issued and this Bill seeks to replace the said Ordinance.

(Published in Karnataka Gazette (Extraordinary) Part IV-2A dated 25th March 1983, as No. 186, at page. 3.)

XVI

(Published in Karnataka Gazette (Extraordinary) Part IV-2A, dated 27th March 1987, as No. 243, at page. 4.)

XVII

Amending Act 24 of 1987.- Section 7 of the Karnataka Stamp Act, 1957 does not provide for charging a copy of an instrument received in the State of Karnataka, where an instrument is registered in any part of India other than Karnataka in respect of the property situated in Karnataka. The different rates of stamp duty applicable in other States in respect of sale, gift, mortgage and such transactions have enabled the concerned parties to evade stamp duty in Karnataka by having their documents registered in Presidency towns of Bombay, Calcutta, Madras as

well as Delhi District, vide the provisions of Section 30 (2) of the Indian Registration Act. This has resulted in huge loss of revenue to the Government of Karnataka.

It is also considered necessary to enhance the rate of stamp duty chargeable in respect of Partnership under article 40 of the Schedule to the Karnataka Stamp Act, as it has been found that with a view to avoid higher stamp duty payable on conveyances, the registering parties are resorting to the evasion of stamp duty by entering into partnerships, with one partner contributing immovable property and the other contributing cash, and thereafter dissolving the partnership and transferring the immoveable property to the partner who contributed cash in lieu of such cash, and *vice-versa*.

Hence the Bill.

(Published in Karnataka Gazette (Extraordinary) Part IV-2A dated 11th February 1987, as No. 123, at page. 4.)

XVIII

Amending Act 10 of 1988.- As at present the duty in respect of any instrument of conveyance effected by the Bangalore Development Authority, the City Improvement Trust Board, Mysore, the Karnataka Housing Board, the Improvement Boards constituted under the Karnataka Improvements Boards Act, 1976 shall be payable at the rates specified in the Schedule on the amount or value of consideration for such conveyance as setforth in the instrument.

It is proposed to extend such concession to the House Building Co-operative Societies, registered under the Karnataka Co-operative Societies Act, 1959.

XLIXVI

Amending Act 21 of 2016.- Mines and Mineral (Development and Regulation) Act, 1957 (Central Act 67 of 1957) Act defines a "mining lease" as a lease granted for the purpose of undertaking mining operations, and further defines "mining operations" as any operations undertaken for the purpose of winning any mineral. Mining lease is essentially an instrument designed for regulation of mining operations and mining rights. It does not fully conform to all the characteristics of a lease of immovable property. The Possibility of privately owned and being part of the mining lease area is also very clearly contemplated under the Mines and Mineral (Development and Regulation) Act, 1957 as well as the Karnataka Minor Minerals Concession Rules, 1994. Therefore, there is a need to classify mining leases as a separate class of documents for the purpose of stamp duty, distinct from lease of immovable property. Separate provisions are also provided for lease granted by auction and granted by way other than auction.

Hon'ble Supreme Court in its order dated: 30.07.2015 has directed the State Government to conduct the auction of 15 'C' Category mines within outer limit of 32 weeks, preferably 26 weeks from the date of order in accordance with the amendments of Mines and Minerals (Development and Regulation) Act, 1957 and the Mineral (Auction) Rules, 2015 along with additional conditions.

The time line fixed by the Hon'ble Supreme Court has already expired in March, 2016 and in this connection an Interlocutory Application has been filed before the Hon'ble Supreme Court for extending time for auction of mines. The Hon'ble Supreme Court has not yet decided on Interlocutory Application filed by the Commerce and Industries Department. The Commissioner, Department of Mines and Geology has already extended the calendar of events four times. Making this legislation is very essential for the Commissioner, Department of Mines and Geology to give clarification to the bidders with respect to stamp duty and registration fee on the Mining Lease Development and Production Agreement (MDPA) and mining Lease Deed. The last date for giving clarification to the bidders is 22.06.2016. proposed legislation needs to be passed before this date. If the matter is further delayed then the Hon'ble Supreme Court may take it seriously and

it will create a very difficult position for the State Government to explain the delay in the matter.

A new instrument called the Mine Development and Production Agreement has been introduced by the Minerals (Auction) Rules, 2015 and the Minerals (Other than Atomic and Hydrocarbons Energy) Minerals Rule 2016, and they also need to be specified for the purpose of stamp duty.

As the matter was urgent and the Karnataka Legislative Assembly was not in session, the Karnataka Stamp (Amendment) ordinance, 2016 (Karnataka ordinance 2 of 2016) was promulgated on 22.06.2016. This bill seeks to replace the said ordinance.
