**STATEMENTS OF OBJECTS AND REASONS****I**

**Act 5 of 1964.**—There are at present different forest laws in force in the five integrating parts of the Mysore State. As it is administratively difficult and inconvenient to enforce different laws in different parts, the present bill has been prepared to bring uniformity of forest laws throughout the State.

The more important provisions in the Bill are the following:—

Provision has been made in the Bill for control over forests and lands not being the property of the Government, in Chapter V on the lines of the provisions now in force in the Bombay and Madras areas. The object is to prevent private owners from recklessly exploiting the tree growth and forest produce with the sole idea of making immediate and huge profits, without regard to ensuring sustained yield for the benefit of the community in future. There is power to assume management of forests in certain circumstances. In Chapter X, provision has been made that all sandal trees which may grow in any land after the date of commencement of this Act will be the exclusive property of Government and exploitation of all sandalwood trees, the rights over which is alienated, should be done by the Forest Department only on behalf of the owner. These provisions are made to prevent smuggling of sandalwood. Special provisions relating to catechu, an important commercial produce, is made in Chapter XI.

(Published in the Karnataka Gazette (Extraordinary), Part IV-2A, dated 26th July 1962, at p. 384.)

**II**

**Amending Act 23 of 1974.**—It is proposed to include ramapatra and shigakai within the definition of forest produce.

To prevent theft and illicit felling of Government trees it is considered necessary to make certain forest offences cognizable and to enhance the punishment. A separate provision is made in respect of offences relatable to rosewood (blackwood or bite) and power has been taken to regulate by rules the cutting, sale etc. of such trees.

The courts have held that section 50(2) (k) empowers making of rules prohibiting absolutely or subject to conditions the establishment of saw mills etc., within certain specified local limits and not throughout the State. It is considered necessary to take power to make such rules in respect of the whole of the State of Mysore.

The courts have held that the Act does not provide for regulating the existing saw pits and saw mills and to levy licence fees in respect of saw pit and saw mill

licences. It is considered necessary to regulate the working of the existing saw mills and saw pits and to levy necessary licence fees.

It is considered necessary to get a resolution to that effect passed by both Houses of the State Legislature before issuing a notification under section 28 declaring that a reserved forest shall cease to be a reserved forest.

Hence this Bill.

(Published in the Karnataka Gazette (Extraordinary), Part IV-2A, dated 27th September 1973, as No. 760, at p. 5.)

### III

**Amending Act 15 of 1976.**—By promulgating the Karnataka Forest (Amendment) Ordinance, 1975, on 24th December 1975 and bringing it into force from that date, Government of Karnataka have imposed the levy of Forest Development Tax at the rate of 5% on the amount consideration paid in respect of forest produce disposed off by the State Government by sale or otherwise. The tax levied and collected under this Ordinance is to be credited to the Consolidated Fund of the State, in the first instance, and thereafter transferred to the Karnataka Forest Development Fund. The amount at the credit of this fund is to be expended for the raising of forest plantations and other ancillary purposes.

The provisions made in the Budget of the Forest Department for raising plantations are not sufficient. There is at present acute shortage of timber, firewood and raw material for the forest based industries. It is expected that in the near future, there will be famine of forest raw material including timber, firewood for fuel and other industrial raw material. Hence, it is necessary to take timely steps to raise plantations more intensively in order to increase the availability of raw material on sustained yield basis.

Hence, it is necessary to create the Forest Development Fund exclusively for raising forest plantations.

(Published in the Karnataka Gazette (Extraordinary), dated 22nd January 1976, p. 45–46.)

### IV

**Amending Act 50 of 1976.**—Several measures have been undertaken by the Forest Department to intensify control of smuggling of forest produce. The Forest Act has also been amended enhancing the punishment limits covering forest offences. In spite of these steps because of the exceedingly high value fetched by certain items of forest produce like rosewood, sandalwood, ivory, etc., smuggling persists. There is provision in the Forest Act to seize the vehicles, tools, etc., used

in committing of such offences but thereafter the case has to be taken up under normal provisions of the Forest Act. It has been the experience that invariably in the forest offence cases either due to the benefit of doubt or due to the lack of proper legal expertise the vehicles are ordered to be released. It is now proposed to empower Forest Officers of and above the rank of Assistant Conservators of Forests to order confiscation of the Vehicles involved in smuggling after going through quasi-judicial formalities. The final appellate authority is proposed to be the District Judge having jurisdiction over the area.

(Published in the Karnataka Gazette (Extraordinary), Part IV-2A, dated 25th May 1976, as No. 2847, at p. 5.)

#### V

**Amending Act 15 of 1978.**—There are a large number of cases of encroachments in forest areas. It has been decided that the encroachments in the interior of forests should be cleared and the encroachers evicted. But lands under encroachments on the periphery of the forest or near the 'D' line of the forests and in shrubby forest areas without valuable tree growth be transferred to the Revenue Department for regularisation in deserving cases of encroachments, or for resettling the encroachers who have been evicted from the thick forest areas. In such cases it is considered not necessary to obtain the approval of the Houses of the Legislature.

As the Karnataka Legislative Council was not in session and as the matter was urgent an Ordinance was promulgated. This Bill seeks to replace the said Ordinance.

(Published in the Karnataka Gazette (Extraordinary), Part IV-2A, dated 30th June 1978, as No. 1001, at p. 3.)

#### VI

**Amending Act 14 of 1980.**—To augment the revenue of the State and to further rationalise the taxation structure, it is proposed to make certain amendments to the Karnataka Entertainments Tax Act, 1958, the Karnataka Forest Act, 1963 and the Karnataka Sales Tax Act, 1957.

Hence the Bill.

(Published in the Karnataka Gazette (Extraordinary), Part IV-2A, dated 14th March 1980, as No. 192, at p. 5.)

#### VII

**Amending Act 1 of 1981.**—The existing provisions of section 71-A of the Karnataka Forest Act confers powers on the authorised forest officers referred to therein to make an order of confiscation. This does not take away the jurisdiction of

the Magistrate to make an order of release of the seized vehicle under the provisions of Criminal Procedure Code pending orders of confiscation by the authorised officer. The intention of section 71-A is to bring in a deterrent effect of confiscating the vehicles used in the commission of sandalwood offences for valid reasons. Due to the concurrent jurisdiction of the Magistrate, the purposefulness of section 71-A gets defeated, when the Magistrate elects to release the vehicle seized and pending orders or confiscation by the authorised officer on merits.

It is also considered necessary to make sandalwood offences non-bailable as at times it may happen that a person arrested may seek relief on bail and it, may be difficult to pursue the case further. It is further found necessary that abettors in sandalwood offences should also be brought under the purview of the Act.

It is considered necessary to give legal backing to seigniorage value fixed by the chief conservator of forest and to authorise him to make such fixation his future.

Hence the Bill.

(Published in the Karnataka Gazette (Extraordinary), Part IV-2A, dated 20th March 1979, as No. 225, at p. 6.)

### VIII

**Amending Act 7 of 1983.**—The Chief Minister in his speech while presenting the Budget Estimates for 1983-84 has indicated that the forest development tax leviable on certain items of forest produce disposed of by the State Government shall be raised to the rate of twelve per cent on the consideration for the sale. The present Bill is intended to bring the said proposal into effect.

(Published in the Karnataka Gazette (Extraordinary), Part IV-2A, dated 29th March 1983, as No. 206, at p. 4.)

### IX

**Amending Act 11 of 1984.**—The Government of India while giving their assent to the Karnataka Forest (Amendment) Bill, 1980 had suggested amendments to sections 68, 86, 87 of the Karnataka Forest Act to empower the Court to impose lesser sentence of imprisonment and fine.

The agreements entered into with several industries for the supply of forest produce ranged from 5 to 30 years and a few agreements provided for supply of forest produce on assured basis without fully assessing the availability position of the raw material for such long periods and without providing for modification of the terms of the agreement. It is proposed to modify them in certain respects.

The seigniorage rates were revised with effect from 29th June 1982 on the basis of the recommendations of an official committee constituted for the purpose. The

rates fixed from 29th June 1982 are less than the rates which came into force on 23rd February 1981. In view of the anomaly that the earlier rates for the period from 23rd February 1981 to 29th June 1982 were higher than the rates which came into force from 29th June 1982 the 29th June 1982 rates were decided to be given retrospective effect from 23rd February 1981.

Hence the Bill.

(Published in the Karnataka Gazette (Extraordinary), Part IV-2A, dated 5th February 1984, as No. 98, at p. 4.)

## X

**Amending Act 10 of 1989.**—It is considered necessary to amend the Karnataka Forest Act, 1963,—

(i) to include sandalwood handicraft articles from the definition of the term “sandalwood” to give relief to the artisans:

(ii) to prohibit unauthorised occupation of land in reserved forest and district forest, for any purpose;

(iii) to provide penalty for unauthorisedly taking possession of any land in protected forest for the land entrusted to the Forest Department for the purpose of afforestation;

(iv) to make it obligatory to obtain licence for possession or storing of sandalwood oil also;

(v) to provide for levy and remittance of forest development tax on the forest produce disposed of by a corporation owned or controlled, or a body notified by the State Government;

(vi) to include, apart from forest development tax, certain other items, in the forest development fund;

(vii) to exempt from payment of seigniorage value in respect of bark for the period from 19th January 1981 to 31st August 1983 and to charge fifty per cent of seigniorage value in respect of eucalyptus or bamboo supplied for the manufacture of news-print for a period of ten years from 1st October 1983.

Certain consequential and incidental changes are also made.

Hence the Bill.

(Published in the Karnataka Gazette (Extraordinary), Part IV-2A dated 11th September 1987, as No. 611, at p. 7.)

**XI**

**Amending Act 12 of 1998.**—It is considered necessary to amend the Karnataka Forest Act, 1963 (Karnataka Act 5 of 1964) to provide for the following, namely:—

- (1) To include “sandalwood oil” in the definition of sandalwood;
- (2) To define Village Forest Committee and to provide for its constitutions;
- (3) To provide for levy of fee for grant or renewal of licence for saw mills etc;
- (4) To require production of Bank guarantee equal to the value estimated by the Forest Officer, before release of property seized under section 62;
- (5) To enhance the amount of composition from rupees five thousand to rupees fifty thousand;
- (6) To provide for punishment for the acts of the servants of the licensee;

And it is considered necessary to amend the Karnataka Preservation of Trees Act, 1976, to provide for,—

- (i) to require the Tree Officer to dispose off the application received within a period of three months;
- (ii) To provide for cancellation or suspension of permission under certain circumstances;
- (iii) to prohibit granting permission under section 8 to fell trees if it involves felling of all trees for cultivation or extension of cultivation of rubber or tea;

Hence the Bill.

**XII**

**Amending Act 20 of 2000.**—The Karnataka Forest and Certain Other laws (Amendment) Bill, 1999 so far it relates to the Karnataka Forest Act, 1963 provides,-

- (1) for investing the Forest Officers with the similar powers as conferred on an officer-in-charge of a Police Station in the matter of investigating under the Code of Criminal Procedure, 1973 and to treat the report of such Forest Officer as a report for the purpose of section 190 of the said Code;
- (2) that a certificate issued by the Forest Officer shall be evidence in respect of forest produce;
- (3) for prevention of commission of offences;
- (4) for issue of a certificate by the Conservator of Forest for recovery of tax, royalty etc., due under the Act and for treating it as a decree of a Civil Court;

(5) for requiring sanction of institute a suit or prosecution in respect of acts done under colour of duty by a Forest Officer;

Further, it is proposed to amend the Karnataka Preservation of Trees Act, 1976 to invest the tree officer with the powers of an officer-in-charge of a Police Station in the matter of investigation under the Code of Criminal Procedure, 1973 and to treat his report as a report for the purpose of section 190.

### XIII

**Amending Act 20 of 2001.-** In the Budget Speech of 2001-2002 it was announced that amendments to the Karnataka Forest Act, 1963 will be brought to remove the restrictions on the growing of sandalwood trees in private land in order to encourage public to grow sandal wood in their land.

It is proposed to amend the definition of "Divisional Forest Officer" as this post is redesignated as "Deputy Conservator of Forest" and to include "Additional Principal Chief Conservator" in the definition of "Forest Officer".

It is also proposed to modify the provisions of penalty in respect of Forest offences relating to sandalwood by enhancing the imprisonment from seven years to ten years and fine from Rupees twenty five thousand to Rupees one lakh.

Hence the Bill.

(Obtained from LA Bill No. of File No. DPAL 30 SHASANA 2001)

### XIV

**Amending Act 24 of 2009.-**At present there is no provision to levy interest on Forest Development Tax as per section 98A of the Karnataka Forest Act, 1963 on belated payment of Forest Development Tax. The Sales Tax and Income Tax Departments are charging interest on Sales Tax and Income Tax @ 24% per annum for belated payment of dues. To regulate the payment of Forest Development Tax, levy of interest at the rates prescribed from time to time is proposed by issue of amendments to section 98A and section 98B of the Karnataka Forest Act, 1963. This is in the interest of timely payment of Government dues and to ensure consistency in the flow of revenue to State Exchequer. The levy of interest will act as a deterrent to delayed payment of Forest Development Tax.

Hence, the Bill.

### XVI

**Amending Act 23 of 2016.-**

1. It is considered necessary further to amend the Karnataka Forest Act, 1963 (Karnataka Act 5 of 1964) (hereinafter called the Act) to remove doubts regarding the nature, ambit and scope of the levy of Forest Development Tax (FDT). As explained below, the objects of this amendment Bill, to be made retrospective from the 16<sup>th</sup> day of August, 2008, are:-
  - (i) to declare the meaning and purpose of the words “a body notified by the State Government” occurring in section 98A;
  - (ii) to re-state the nature of levy and declare that it is in the nature of a fee;
  - (iii) to validate the collection of Forest Development Tax or Forest Development Fee from 2008 onwards.
2. The amendments to sections 98A and 98B are being made retrospectively from 16<sup>th</sup> day of August, 2008 when Notification No.FEE 248 FDP 2006 dated 16-08-2008 Bangalore was issued. Although section 98A came into force from 24.12.1975, the present amendment is being made retrospectively only from the date of this notification to avoid unnecessary hardship to entities who are covered by Chapter XI-A of the Forest Act, 1963.
3. Section 98A of the Act was amended to include the words “or by a corporation, owned or controlled by or a body notified by the State Government” by Amendment Act 10 of 1989. The said amendment was made with the intention of including all persons, who are disposing of forest produce by way of sale or otherwise, including State-owned and controlled corporations as well as entities

such as private individuals, firms, companies or anybody else, within the purview or ambit of the levy under section 98 A of the Act. The latter category, which were neither State-owned nor State controlled, were intended to be included within the expression "a body" in section 98A(1). This was done with the object of augmenting revenue for the purpose of "afforestation", amelioration of environment, enhancing the tree cover and activities ancillary thereto as mandated under Section 98B by levying a fee on disposal of forest produce.

4. Thus, the intention of the legislature was always to ensure that all entities whether State-owned, State-controlled or not, that were disposing of forest produce by way of sale or otherwise were brought within the purview or ambit of the levy of Forest Development Tax (FDT). There was never an intention of restricting the statutory mandate of collecting and paying the levy only to State Government and its Undertakings and excluding all non-Government entities and undertakings of the Central Government. It was never the intention of the Legislature that Forest Development Tax was to be collected only when entities acted together as an association or conglomeration. Indeed, such an interpretation would not only defeat the object of amending section 98A but also seriously jeopardize the programmes for development and regeneration of forests in the State of Karnataka.
5. The State of Karnataka issued Notification No.FEE 248 FDP 2006 dated 16.8.2008 under Section 98A(1) of the Act whereby all lease-holders of mines and quarries situated in the forest area were notified in exercise of the powers conferred by section 98A(1). The validity of this notification and certain other issues came up for consideration before the Division Bench of the Karnataka High Court in W.P. No 2462 of 2009 (and other connected matters) and the judgment was rendered on 03.12.2015. The Hon'ble High Court, *inter alia*, was pleased to quash the notification on the ground that the expression "a body" would not include leaseholders of mines and quarries, whether as an individual or as other juristic entity. According to the Hon'ble High Court, leaseholders could be individuals, partnership firms, societies, co-operative societies, companies incorporated under the Companies Act or any other association or persons. Unless all of them constituted themselves into "a body", which would inevitably be a juristic entity having a legal persona, such as a federation in which the leaseholders are members, or a company, wherein they are

shareholders, or, a society, wherein they are members and one of the activities of such federation or company or society is disposal of minerals as forest produce by sale or otherwise, they could not be treated as a body that could be notified by the State Government. Thus, independent or separate lease holders, whether they are private individuals or partnership firms or companies or any other juristic entity, could not be construed to come within the expression "a body" under sub-section (1) of Section 98-A of the Act. This interpretation has resulted in numerous leaseholders of mines and quarries situated in forest area not being liable to collect and pay the "forest development tax" (FDT). This was clearly never the intention of the legislature because the word "a body" was never intended to apply to only juristic entities consisting of a conglomeration of leaseholders, either as individuals or companies or firms and so on. It is also clear that lease holders of mines and quarries situated in forest area will never collectively act as an association or a conglomerate while purchasing or selling or disposing of forest produce.

6. It is, therefore, necessary to amend section 98A(1) retrospectively and declare that the word "a body" included and, has always included, even leaseholders of mines and quarries situated in forest area even if they did not constitute themselves collectively, as a federation, company or society or an association of persons. Significantly, the Hon'ble High Court has accepted this view that the expression "a body" will include any autonomous or private body in which the State Government did not have any control in any manner whatsoever. The proposed amendments are intended to declare that all lease-holders of mines and quarries in forest area come within the definition of "a body" and are liable to collect and pay Forest Development Tax or Forest Development Fee as this levy is critical for the development and regeneration of forests. The proposed amendments will cure the infirmity and remove the defect which was found in the existing provisions. The Bill also contains a validation clause that is dealt with later.

**Tax and Fee:**

- 7 In *Guru Siddappa v State of Karnataka* AIR 1981 Kar 216, the Division Bench of the Karnataka High Court had held that the Forest Development Tax (FDT) levied on the purchase price of forest produce was within the legislative competence of the State under Entry 54 of List-II and constitutionally valid. Although the unamended section 98A(1) refers to the levy of a tax, the impost is

more in the nature of a fee. The amount collected by way of forest development tax is earmarked for development and regeneration of forest and does not go to the general revenue of the State to be spent for general public purpose. This is also made clear by section 98B of the Act which specifies that the Forest Development Tax (FDT) and interest that is levied and collection under section 98A will form part of the Karnataka Forest Development Fund. The Forest Development Tax (FDT) and other amounts specified in section 98B(2), although credited to the Consolidated Fund of the State, is later appropriated and transferred to the aforesaid Karnataka Forest Development Fund.

- 8 In *State of Maharashtra v Salvation Army* AIR 1975 SC 846, the Supreme Court held that an impost which initially was in the nature of a fee would subsequently assume the characteristics of a tax. The converse is equally true. The decision of the Karnataka High Court was rendered in 1981 and Forest Development Tax (FDT) was treated as a tax coming within Entry 54 of List-II.
- 9 Since the Forest Development Tax (FDT), as a fee, will be levied at the time of disposing by way of sale or otherwise of forest produce, the fee is being levied in exercise of the powers of the State Legislature under Entry 66 of List-II of Schedule VII of the Constitution. In *Corporation of Calcutta v. Liberty Cinemas* AIR 1965 SC 1107. Hon'ble Supreme Court held that the fee can also be under an enactment relating to the imposition of a tax. In any event, the State Government has the authority to levy such fee under Entry 47, List III.

**Validation:**

- 10 .1 The State Government has levied and collected more than Rupees 3500 crores as Forest Development Tax (FDT) after the impugned notification was issued in 2008. All the petitioners in the above judgment conceded that they were disputing the levy only upto 2011. However, it is proposed to validate such collections both by the lease holders of mines and quarries situated in forest area and by the Monitoring Committee, from the purchasers of minerals till date. The present Bill seeks to achieve the objects as mentioned above and also to provide for the validation of the levy and collection of Forest Development Tax (FDT). Clause 6 of the Bill, *inter alia*, provides that any demand and/or any action taken under the provisions of the Act as in existence prior to this amendment Bill shall be deemed to have taken or levied under the new law after the

amendment. This will validate the demand made by deeming it to have been made under the amended law and thus protect the revenue of the State. This Bill thus cures the infirmity and removes the defect found in the existing provisions and makes adequate provisions in the validation clause for a valid imposition of the Forest Development Tax and Forest Development Fee.

10.2 The State Government proposes to recompute the Forest Development Fee as per prescribed rules or guidelines. If the demand as computed as per new rules or guidelines is lesser than the amount of Forest Development Fee demanded under the erstwhile section 98A or any notification issued thereunder, the lesser amount will be payable as Forest Development Fee.

10.3 A provision is also proposed to exempt or reduce Forest Development Tax (FDT) or Forest Development Fee by Government by notification prospectively or retrospectively in public interest by any specific clause of person or in respect of any specified forest produce.

**Penalty:**

11 It is made clear that no penal proceedings will be commenced as a consequence of the retrospective amendments that are proposed in the Bill. This will also ensure compliance with Article 20(1) of the Constitution.

**Rate of Tax or Fee:**

12 Demand were raised at the rate of 12% on the disposal of minerals, although section 98A(1) prescribed a rate of 8% tax on forest produce other than those mentioned in the erstwhile proviso and Table thereto. The Karnataka Forest (Amendment) Act, 2015 imposed a levy of 12% but omitted to amend the rate retrospectively. It is now made clear that 8% shall be retrospectively increased to 12% from 16<sup>th</sup> August, 2008 onwards. Indeed, demands have been made at this rate from 16<sup>th</sup> August, 2008.

13 By order dated 02.09.2011 and 23.9.2011, the Supreme Court in WP(C) 562 of 2009 directed that the Monitoring Committee shall collect Forest Development Tax (FDT) "as applicable". Accordingly, all buyers of iron ore, extracted from the leases in forest area (including the petitioners before the Karnataka High Court in W.P. No. 2642 of 2009 and other connected matters),

have paid Forest Development Tax (FDT) at the rate of 12% to the Monitoring Committee without any protest or demur. No application was ever made to seek a clarification that the applicable rate of Forest Development Tax (FDT) was 8% and not 12%. Accordingly it has been uniformly accepted that Forest Development Tax (FDT) would be 12%. The petitioners before the Karnataka High Court have also restricted their claim only for the period before 23.09.2011. Thus, the rate of Forest Development Tax or Forest Development Fee is retrospectively amended to be 12% from the 16<sup>th</sup> day of August, 2008.

**Rules for computing Forest Development Fee.**

- 14 The rules or guidelines for computing Forest Development Fee are also being finalised. These rules will also have to be applicable retrospectively from 16<sup>th</sup> day of August, 2008. Accordingly clause 3 of the Bill enables such rules to be inserted with retrospective effect.

Hence the Bill.

- (c) all proceedings prescribed by sections 11 and 14 have been taken and all lands and buildings (if any) to be included in the proposed reserved forest, which the Forest Settlement Officer has under section 11 elected to acquire under the Land Acquisition Act, 1894, have become vested in the Government under section 16 of that Act,

the State Government shall publish a notification specifying clearly according to the boundary marks erected or otherwise, the limits of the forest which is intended to constitute a reserved forest and declaring the same to be a reserved forest from the date fixed by such notification, subject to the exercise of rights (if any) specified in such notification.

(2) From the date so fixed, such forest shall be deemed to be a reserved forest.

**18. Publication of notification.**—The Deputy Commissioner shall, before the date fixed by such notification, cause a translation thereof into Kannada and any other regional language of the area, to be published in the official Gazette and at the headquarters of the taluk in which the forest is situated, and in every town and village in the neighbourhood of such forest, in the manner prescribed for the proclamation under section 5.

**19. Power to revise arrangements made under section 14 and to redefine the limits of reserved forests in certain cases.**—(1) The State Government may, within five years from the publication of any notification under section 17 revise any arrangement made under section 14 and may for this purpose rescind or modify any order made under section 14 and

direct that any one of the proceedings specified in section 14 be taken in lieu of any other such proceedings or that the rights admitted under section 12 be compensated under section 15.
